BIOGRAPHY

As a serial “Grandmapreneur™,” Inukai speaks to retirees or soon-to-be retirees on the benefits of pursuing entrepreneurship in retirement. She is the creator of Write Your Selfie, where she inspires people to write their life stories in a fun and easy-to-read format so grandchildren and future generations will enjoy turning the pages to learn about their ancestry and life lessons. She is passionate about working with dementia sufferers and their families to preserve the memoirs of this “invisible” population. Retired from teaching at the University of Maryland and Johns Hopkins University for four decades, Connie Inukai became an award-winning inventor at the age of 68, an author of “How I got My Product on QVC, The Today Show, The View, and More...In Retirement.” Featured in Entrepreneur magazine, “6 Reasons to Pursue Entrepreneurship in Retirement,” Connie encourages Baby Boomers to have an active retirement through business or social entrepreneurship. Author of Retirement: Dream Big, Take Action, Make Money: 10 Amazing Second-Act Entrepreneurs Tell Their Stories.

Connie Inspires: Popular Topics

- It's Never Too Late To Follow Your Dreams
- Reinventing Yourself in Retirement
- Write Your Selfie: Capture Your Life Story in Pictures and Captions
- How I Got My Product on QVC, The Today Show, and The View...In Retirement: It's All About the Buzz
- Six Reasons to Pursue Entrepreneurship in Retirement

AS SEEN ON

TIP AND SPLIT

THE PERFECT GIFT FOR PARENTS AND GRANDPARENTS

- Crystal Clear Magnifier: Leave the reading glasses at home. The 5x magnifier makes it easy to see even the finest print.
- Discreet Backlight: Illuminate the menu or bill without distracting other restaurant diners with your phone's flashlight.
- Tip Calculator: Enter 15%, 18%, 20%, or any amount you like. The tip gets automatically added onto total amount.
- Bill Splitter: Enter how many people are in your party, and find out exactly what each person should pay.

WHY TIP N SPLIT?

Let's face it, as we get older our eyes don't work as well as they used to. Even people with perfect eyesight struggle to see small lettering in dimly lit conditions like restaurants, theaters, in the car, or even just at home.

Enter Tip 'n Split, The first restaurant calculating device with magnifier & light! It bridges the gap so you can see. Great for tipping and also working out the math with no guesswork.

Makes a great gift for anyone who needs to see the menu or bill and doesn't love using their phone for everything. Get Tip 'n Split today!

RETIREMENT: DREAM BIG, TAKE ACTION, MAKE MONEY

10 AMAZING SECOND-ACT ENTREPRENEURS TELL THEIR STORIES

Are you dreaming of a retirement that's anything but ordinary? In "Retirement: Dream Big, Take Action, Make Money," you'll be inspired by the stories of ten amazing people who have created successful second-act businesses. Each of these entrepreneurs has a different story to tell, but they all share one thing in common: they followed their dreams and took action to make them a reality. Whether you're just starting to think about retirement or you're already there, this book will show you that it's never too late
